3.2 English Language Institute (ELI). UHM requires all international students who do not achieve a minimum score of TOEFL-iBT 100 or IELTS 7.0 to take an English placement test at the UHM ELI before students start their first semester at UHM. Based on the placement test results, ELI will decide whether a student needs further support in academic English through ELI courses. Depending on a student's total course load in their first two semesters, ELI courses may result in additional tuition costs based on the total semester credits the student is enrolled in, and are calculated at the tuition rate for the student's graduate program that is published on the UHM tuition and fees website.

- 3.3 English Language Training Option.** Any CCU 3+2 applicant who does not meet the English Test Score requirement for 3+2 Program admission (minimum TOEFL 85 or IELTS 6.5) will have a maximum of two semesters (Fall/Spring) to take English classes at UHM. The cost for taking English classes at UHM will be the full responsibility of the student. After two semesters of English training, if the CCU student still cannot meet the 3+2 English requirement, he/she will not be allowed to apply for the 3+2 Program.
